Gulf County Volunteer and Donation Efforts

Gulf County, FL: Thursday, May 06, 2010

Plan of Action:

Beach Cleanup Saturday May 8th

Shift 1: 9:00 am – 12pm

Shift 2: 1pm – 4pm

*Beach Cleanup Sunday May 9th

Shift 1: 1pm – 4pm

*if needed, if we have enough volunteers Sat., Sunday will be Canceled-ck website/facebook

All times are eastern time

Staging Areas: Windmark/St. Joe Beach Parking Lot (St. Joe Beach)
Salinas Park (Cape San Blas & Indian Pass)

Please meet at one of the 2 staging areas and volunteers will be organized into teams and directed to a zone of beach to clean; all teams will have trained team leaders. We will need many more people at Salinas Park than at St. Joe beach due to beaches to be covered

Why are we having a beach cleanup now?

While we are still uncertain if Gulf County will be affected by the oil spill, we need to clean our beaches now in order to be prepared. If our beaches are free of manmade debris/trash, there will be less contaminated debris if we are impacted by the oil spill.

Who can volunteer for the beach cleanup?

-Anyone who wants to help!

-NO prior training is needed but environmental awareness training will be provided upon arrival for the clean up

-Children are welcome; Under 15 needs to be accompanied by an adult

What do Volunteers need to bring to the beach cleanup?

-Closed toe shoes
-Sunscreen/Protective Clothing
-Bug Spray
-Sunglasses/Hats
-Gloves
-Snacks/drinks

What will be provided?

Garbage bags

Water

Where do I get more info?
