

Addendum No. Five

Request for Proposals Information Package

County Road 386 Resurfacing
Engineering Services
FDOT FPID #: 413202-3-54-01

Issued by:

Gulf County Board of County Commissioners
1000 Cecil G. Costin Sr. Blvd.,
Port St. Joe, Florida

October 31, 2016

Please refer to the above Request For Proposals (RFP) document in your possession and be advised of the following:

I. Questions & Answers

- Q1: Under the Part IV – Evaluation of Proposals; under the ‘Selection’ section it states the BOCC will make a determination on January 24, 2017, however the anticipated schedule states the award will November 22, 2016. Can you clarify which date is accurate?
- A1: Under Part IV- Evaluation of Proposals: under the ‘Selection’ section there is a misprint stating “ The top ranked firm will be recommended to the Board of County Commissioners for approval on ~~January 24, 2017.~~ This date should read “November 22, 2016.”
- Q2: Also, will there be any further consideration concerning the 20-page page limit? I already have 10 pages of forms and required documents that include our insurance forms, licenses and proof of corporation documentation. According to the addendum #2, all subs must complete the same group of forms. My intention is to provide the County with a quality, in-depth proposal that supports the scope required of a project that is 19.5 miles long and contains 4 bridges.

A2: There will be no further consideration concerning the 20-page limit. In Addendum 3 there is a clarification on double-side pages. A double-sided page will count as one page.

Should you have any questions regarding this addendum contact Lianna Sagins at lsagins@gulfcountyedc.com.
