EMERGENCY PERMIT

Pursuant to authority granted by the Emergency Order issued by the Department of Environmental Protection on September 16, 2004, OGC No. 04-1625, the following activity is temporarily permitted Seaward of CCCL. All work must be completed by November 15, 2004.

All work performed pursuant to the attached emergency order shall comply with the requirements set forth in the order. This order will allow immediate rebuilding of damaged structures, repair of drinking water and wastewater facilities, along with cleanup of hurricane-generated debris and the restoration of natural areas such as dunes systems, waterways and wetlands, pursuant to the restrictions set forth in the attached emergency order.

Florida Department of Environmental protection Field authorizations are required to replace destroyed structures, alter mangroves; restore uplands, wetlands and submerged lands and for other DEP-authorized activities not specifically allowed in the Order.
