

**NOTICE TO RECEIVE SEALED BIDS
BID NO. 1516-12**

The Gulf County Board of County Commissioners will receive sealed bids from any qualified person, company or corporation interested in constructing:

2015-16 ROAD BOND PROJECT

Project is located in Gulf County, Florida and consists of approximately 6 miles of roadway construction, resurfacing, and striping at locations throughout the County.

Plans and specifications can be obtained at Preble-Rish, Inc., 324 Marina Drive, Port St. Joe, Florida 32456, (850) 227-7200. The bid must conform to Section 287.133(3) Florida Statutes, on public entity crimes. Cost for Plans and Specifications will be \$100.00 per set and is non-refundable. Checks should be made payable to PREBLE-RISH, INC.

All bidders shall be FDOT Qualified per Section 2-1 of the FDOT Standard Specifications for Road and Bridge Construction, latest edition in the following work classes: Grading, Drainage, Flexible Paving, and Hot Plant Mix-Bituminous Course. If you have any questions, please call Clay Smallwood at (850) 227-7200.

Completion date for this project will be 180 days from the date of the Notice to Proceed presented to the successful bidder. Liquidated damages for failure to complete the project on the specified date will be set at \$250.00 per day.

Please place **YOUR COMPANY NAME, SEALED BID**, and the **BID NUMBER** on the outside of your envelope, and include the original bid plus 3 copies.

Bids will be received until **4:00 p.m. Eastern Time**, on Wednesday, **March 30, 2016** at the **Gulf County Clerk's Office, 1000 Cecil G. Costin Sr. Blvd, Port St. Joe, Florida 32456**, and will be opened and read aloud at a meeting of the Board of County Commissioners held in the County Commissioner's meeting room in the Robert M. Moore Administration Building, Gulf County Courthouse Complex, Port St. Joe, Florida on the following day, Thursday, **March 31, 2016** at **8:00 a.m. Eastern Time**.

The Gulf County Board of County Commissioners has implemented a Local Bidders Preference Policy for all RFP/BIDS. Anyone interested in bidding as a local bidder must follow the requirements of Resolution 2009-02 and Gulf County Bid Policy of 11/12/13, both which may be obtained from the Clerk's Office at the above address.

All bids shall remain firm for a period of sixty days after the opening. All bidders shall comply with all applicable State and local laws concerning licensing, registration and regulation of contractors doing business to the State of Florida.

The Board of County Commissioners reserves the right to waive informalities in any bid, to accept and/or reject any or all bids, and to accept the bid that in their judgment will be in the best interest of Gulf County.

Airey Avenue and Tyndall Drive, Bay County
Financial Management Number: 431684-1-22-01

Dear Mr. Lowry:

The Florida Department of Transportation (FDOT), in cooperation with the Federal Highway Administration (FHWA) and the U.S. Department of Defense (DoD) at Tyndall Air Force Base (Tyndall AFB), will hold a public hearing for the above-referenced project on Thursday, April 7, 2016 from 5:30 p.m. to 6:30 p.m. CDT at the Springfield Community Center, 3728 East Third Street, Springfield.

This hearing is being held as part of a current Project Development and Environment (PD&E) Study that is being conducted to evaluate proposed transportation solutions for this segment of S.R. 30 (U.S. 98/Tyndall Parkway) and to provide documented information necessary for FDOT to reach a decision on the type, design, and location of the improvements. The project is being developed to reduce travel delays on S.R. 30 (U.S. 98/Tyndall Parkway) and Tyndall AFB while minimizing potential impacts to the natural and human environments. The project is currently in the PD&E study phase. No funding has been allocated for subsequent phases of right-of-way, design, or construction.

The hearing will begin as an open-house format at 5:30 p.m., with a formal presentation at 6 p.m. Enclosed for your review is a copy of the project information sheet. Your comments are welcome and appreciated.

Draft project documents are available for public review from February 24, 2016 through April 22, 2016 at the Bay County Public Library, 898 West 11th Street, Panama City, from 9 a.m. to 8 p.m. Monday through Saturday, and from 1 p.m. to 5 p.m. on Sunday. The draft Environmental Assessment is also available through the FDOT Environmental Screening Tool at: <https://etdmpub.fl.a-etat.org/est/> as project number 13991.

The Florida Department of Transportation (FDOT) District 3, in cooperation with the Federal Highway Administration (FHWA) and the U.S. Department of Defense (DoD) at Tyndall Air Force Base (Tyndall AFB), is proposing improvements to State Road (S.R.) 30 (U.S. 98/Tyndall Parkway) through Tyndall AFB in Bay County.

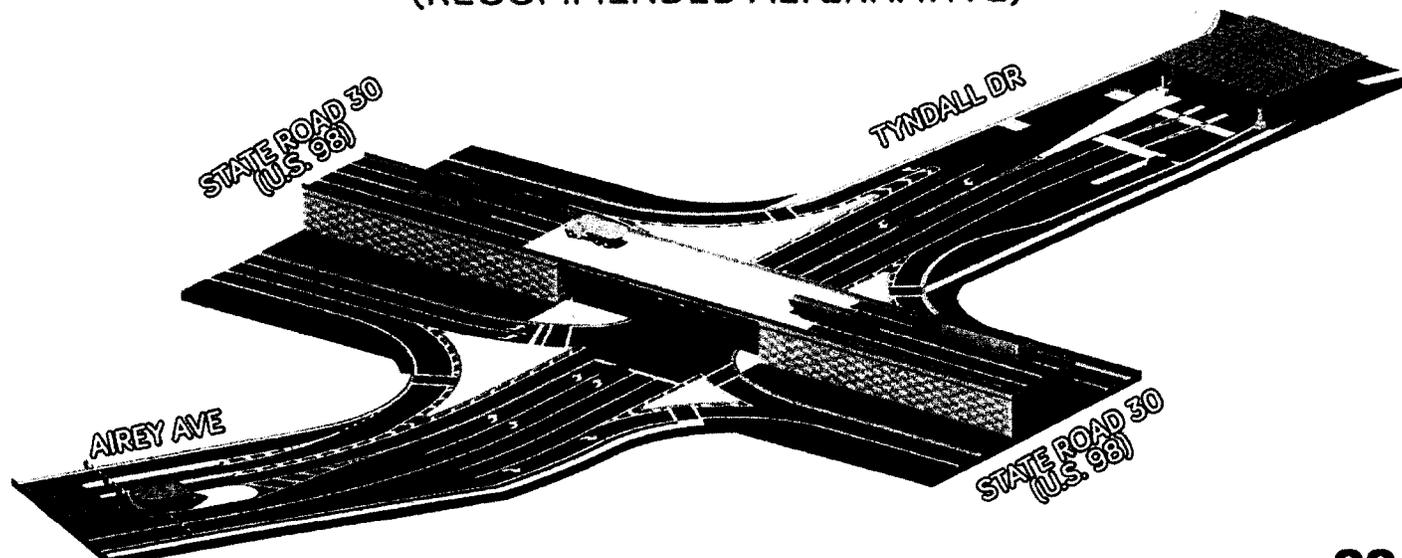

This project involves a one-mile segment of U.S. 98 centered at the intersection of U.S. 98 and Airey Avenue/Tyndall Drive on Tyndall AFB at the Tyndall AFB Main Gate. The proposed improvements are being studied in an Environmental Assessment (EA) and Project Development and Environment (PD&E) Study. Draft project documents are available for public review from February 24, 2016 through April 22, 2016 at the Bay County Public Library, 898 West 11th Street, Panama City, Florida during library hours which are from 9 a.m. to 8 p.m. Monday – Saturday, and from 1 p.m. to 5 p.m. on Sundays.

The proposed improvements consider a new intersection configuration to separate Tyndall AFB traffic from through traffic, and an overpass to improve on-base traffic flow. The EA and PD&E Study evaluated seven alternatives, including the No Action alternative. Alternatives 1, 2, 3, 5, and 6 were not carried forward for detailed analysis following an initial screening of environmental impacts and traffic level of services. Alternatives 4, 7, and the No Action Alternative were retained for detailed analysis (see other side). Alternative 7 is the Recommended Alternative. This alternative would construct a Single Point Urban Interchange on U.S. 98 at Tyndall Drive / Airey Avenue, retain the existing Entry Control Facilities on Tyndall property, and construct an overpass on U.S. 98 at Louisiana Avenue. A rendering of Alternative 7 is shown below.

ALTERNATIVE 7 SINGLE POINT URBAN INTERCHANGE (RECOMMENDED ALTERNATIVE)

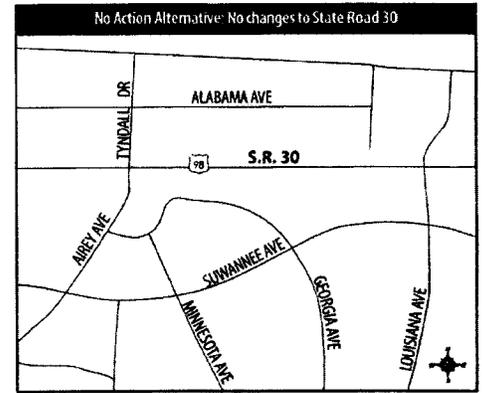

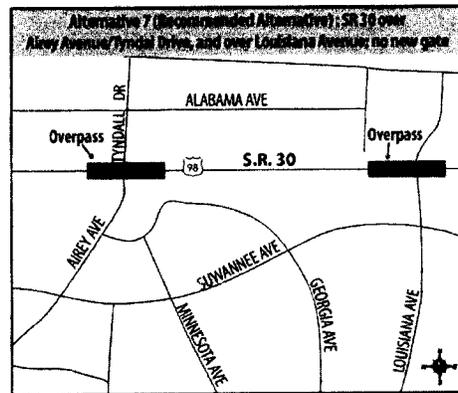

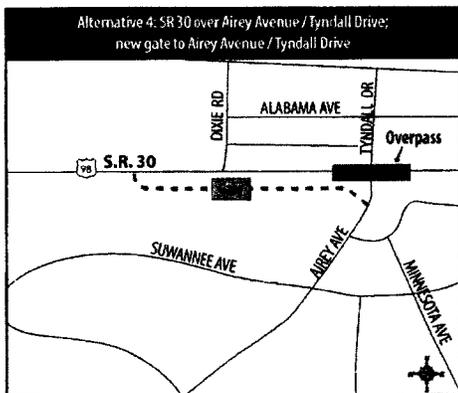

FDOT PROJECT PHASES

Project Development & Environment Study – Project needs are documented; alternatives to meet the need are developed; environmental impacts are evaluated; and input from the public is gathered. The project is not yet funded for design, right-of-way, or construction.

ALTERNATIVES CARRIED FORWARD

Alternatives 1, 2, 3, 5, and 6 were considered, but not carried forward following an initial screening of environmental impacts and traffic level of service. More information on Alternatives 1, 2, 3, 5, and 6 can be found in the Environmental Assessment (EA) available at the public meeting or at the Bay County Library February 24, 2016 to April 22, 2016. Alternatives 4 and 7 and the No Action Alternative were carried forward for detailed analysis in the Environmental Assessment (EA) due to a combination of improved overall operational efficiencies, benefits, and reduced impacts.
