Dear Mr. Butler,

As you know, the Port St Joe Port Authority owns the lot that was once the Arizona Chemical site. Also, as you know, that lot has not been properly maintained. As the result, the weeds are getting too tall.

Since the Port Authority is struggling for operational revenue, even to the point of borrowing money from Gulf County, we are asking for your assistance. We are wondering if you would provide some work crews to make this parcel of ground less of an eye-sore to the neighborhood.

Obviously, any help you can give will be much appreciated.

Sincerely,
